

2015 HONOR ROLL OF DONORS WITH BOARD LEADERSHIP AND STAFF

Unmatched Generosity

HONORING DU'S MAJOR SPONSOR

Major Sponsors have chosen to make an immediate and significant impact on wetlands conservation today through their support of Ducks Unlimited's mission. These philanthropists are leading the charge to secure our continent's wetland and waterfowl habitat to make the vision of full skies a reality.

Please contact Kathy McCollum at 901-758-3710 or kmccollum@ducks.org for information about being included in next year's annual report.

A LETTER FROM DUCKS UNLIMITED SENIOR VICE PRESIDENT OF DEVELOPMENT **Mike Woodward**

Rescue Our Wetlands! What simple and direct words to describe the campaign we are undertaking. Those three words are a call to arms for the next three years for you and me and the others we need to lead in the work of conservation.

Let me share with you something I hope speaks to you about why you and I need to do more of the great work we do. To me, philanthropy is about giving back to the birds and wetlands and honoring the people and places that are special in my life. I am who I am because of education, experience and the special people who have shown me how to live a purposeful life. This deepening knowledge makes me appreciate where I came from and offers me a chance to preserve the special places where life has taken me. Few things excite me more than returning to an old haunt and seeing the birds return there as they have my entire life. I hope you think so as well.

The challenges the birds face are very different than the challenges the founders of Ducks Unlimited experienced, but the determination to preserve wetlands has not waned for those of us who came after them. The population of the continent has nearly tripled since DU was founded in 1937. We make sure there is a place for the birds we pursue, watch and enjoy with family and friends. It is essential work that not only secures waterfowl for us, but for everyone else who enjoys the birds and the clean water that wetlands provide, as well as the beauty of the places they need to nourish their spirits.

So as we recognize you, Ducks Unlimited's special supporters, on the following pages, I challenge you to consider the places you want to preserve and protect. Work diligently with time, talent and treasure to make sure your spot under the stars of a clear fall sky just before the dawn is still reflected in the waters of a vibrant marsh.

Thank you for making a difference,

Michael R. Woodward
Senior Vice President of Development

Recognition in the President's Council honors DU's staunchest supporters who make an annual cash gift of \$10,000 or more to our conservation mission. President's Council members understand that an ongoing and significant annual commitment is necessary to achieve our goals, and they are dedicated to making DU one of their highest giving priorities each year.

Ducks Unlimited is pleased to recognize the following individuals as members of the President's Council for the prior and current calendar year (as of July 15, 2015):

FEATHER SOCIETY

Feather Society members make the ultimate gift to Ducks Unlimited by pledging their resources through deferred giving plans such as wills, trusts, gift annuities, retirement plans, and life insurance policies. These commitments ensure DU's ability to deliver our conservation mission beyond the donor's lifetime. We are pleased to recognize our Feather Society members who have made a planned gift commitment of at least \$1 million with special thanks to those making a new commitment in fiscal year 2015.
